

## Cosmic Retro Computers Pack — FREE Demo

A small free sample of 4 low-poly, retro-futuristic computer models and consoles for Unity (URP, HDRP, Built-in).

### Key Features

- 4 stylized computer models from the full pack
- 1× 4×4px texture (PNG) & 1 material
- Optimized low triangle counts
- Plug-and-playv drag, drop, and go

### Installation

Copy CosmicRetroComputersPack\_FREE into Assets.

For URP (recommended), set the URP asset in Project Settings > Graphics.

For HDRP or Built-in, drag the corresponding config files into Graphics Settings.

Open a demo scene in Demo\_Scenes.

Drop any prefab from Prefabs into your scene.
